The Foyer

Intimate events in monumental setting

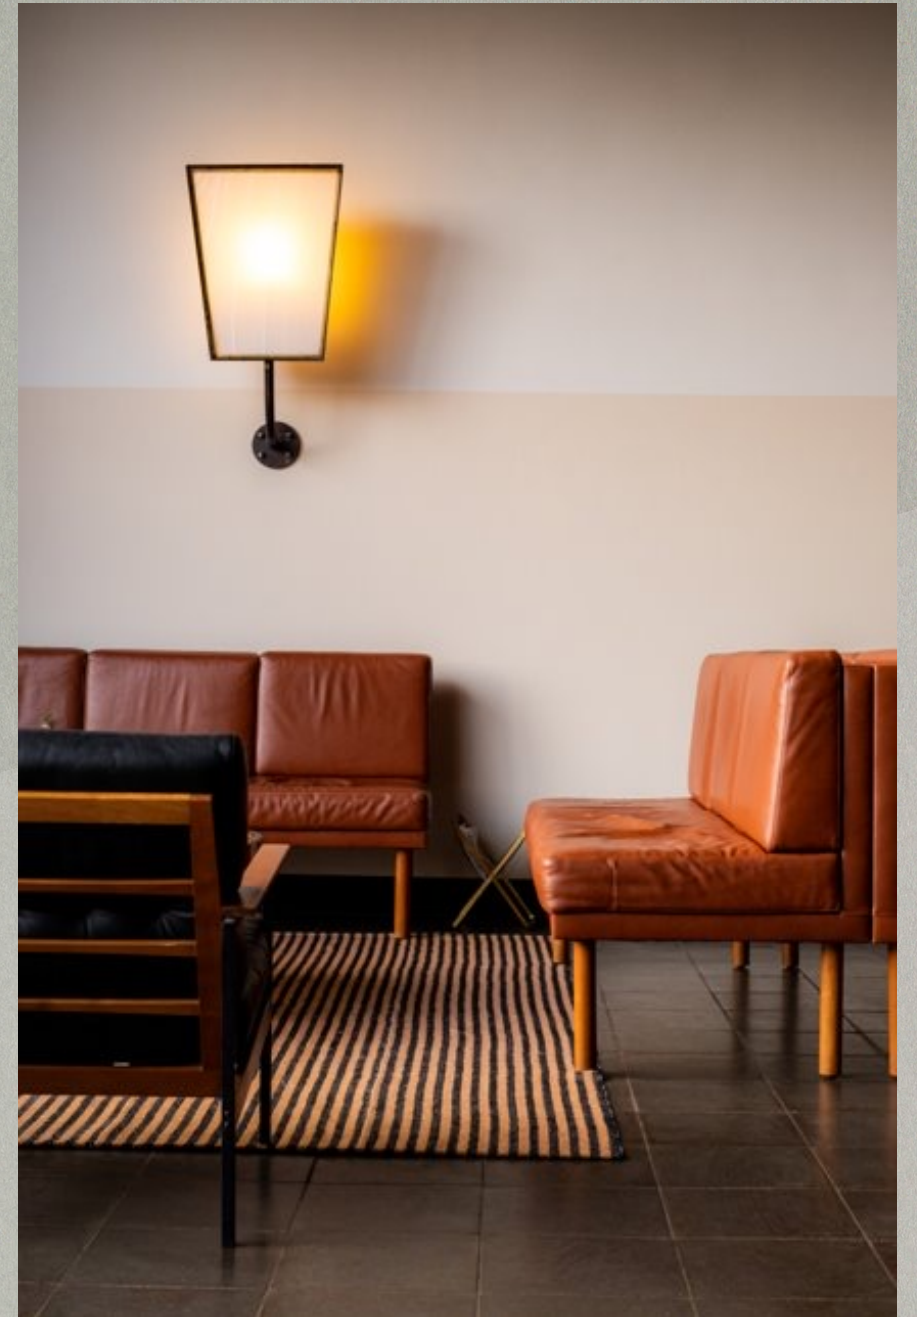

The Foyer

The Foyer is situated between the old VOC-building en the former Stork machine factory. It's an inspiring location, that used to be a theater and place for relaxation for the employees of Stork. Downstairs in the entrance of the old theater restaurant Coulisse is situated, upstairs in the old foyer there is a multifunctional event space.

With a surface of 175m², 6 meter high ceilings and windows reaching from top to bottom this is a perfect place for **meetings, presentations and brainstormsessions.**

Design

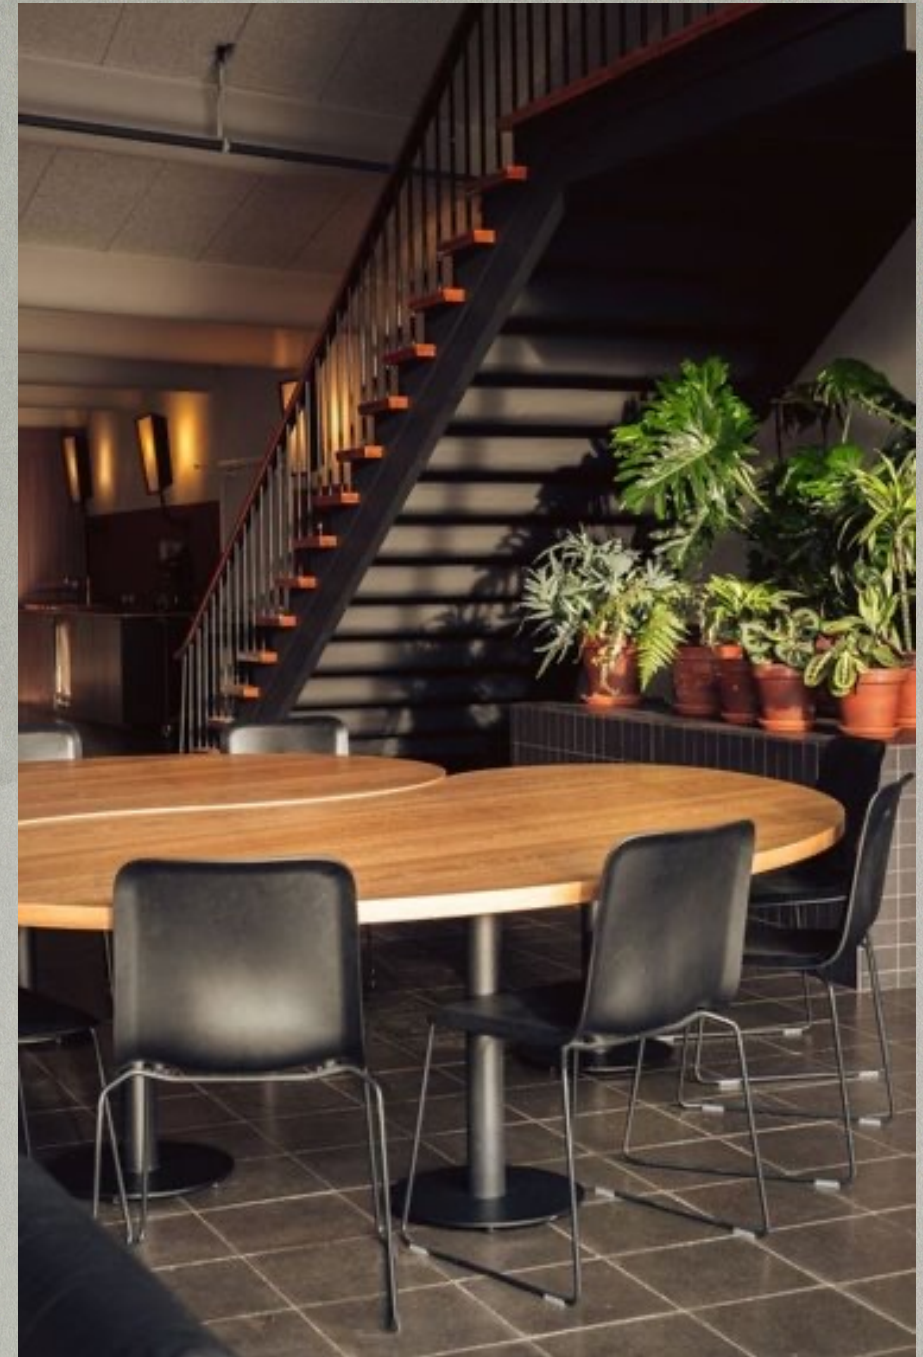

The industrial characteristics have been kept in the Foyer just as in the restaurant. With beautiful authentic lamps, and the original staircase that led the audience to the balcony's of the theater. The big windows from floor to ceiling offer a view on the Oostenburgergracht and give the space lots of daylight. The Foyer is a flexible location where you can organize business meetings, host events and party's, potentially in combination with the kitchen of restaurant Coulisse.
